NEUROBLATE REIMBURSEMENT SUPPORT PROGRAM

Monteris Medical offers the services of insurance authorization, coding and coverage as part of our NeuroBlate Reimbursement Support Program.

THE NEUROBLATE® SYSTEM REIMBURSEMENT SUPPORT

The program simplifies access to reimbursement information and support including:

- Benefit verification and patient eligibility
- Claim appeals as needed
- Prior authorization process
- NeuroBlate coding inquiries
- Pre-determination of payer coverage

We are committed to supporting our customers' needs by providing reimbursement support to help navigate the complex healthcare environment. To engage with the Monteris reimbursement support team, please see the information below.

NeuroBlate Reimbursement Support Program

Tel: (866) 369-9290 **Fax:** (877) 499-2986

Hours: Monday thru Friday, 8:30 AM to 6:00 PM EST

Email: NeuroBlate@thepinnaclehealthgroup.com

DISCLOSURES:

The NeuroBlate® System is intended for ablating intracranial soft tissue, including brain structures. Patients must be able to undergo MRI exposure and be surgical candidates. The technology is not appropriate for every lesion type and location. It may be difficult to use the technology on certain large or irregularly shaped lesions.

Possible adverse events include, but are not limited to, compromised device function, hematoma, embolic events, edema, bleeding, unintended major tissue damage and permanent neurological deficits. Prior to using these devices, please review the Instructions for Use for a complete listing of indications, contraindications, warnings, precautions and potential adverse events. For full prescribing information, please visit monteris.com.

Contact Monteris Medical Corporation for more information. Not available for sale outside the U.S. or Canada.
